

TEACHING ENGLISH AS A FOREIGN LANGUAGE

Calle de Manuel Bravo 210, Centro Histórico, Oaxaca de Juárez, Oaxaca, Mexico.

ABOUT TEFL

TEFL (Teaching English as a Foreign Language) is a professional certification that prepares individuals to teach English to non-native speakers in countries where English is not the primary language. It focuses on practical teaching skills, classroom management, lesson planning, and language theory, enabling teachers to create effective and engaging lessons for learners of all ages and levels. A TEFL certificate is internationally recognized and often a requirement for teaching English abroad or online.

We also prepare teachers for today's digital world by incorporating online teaching tools and personal branding.
